NUMAN ZAMAN DIPU

Student, Developer

EXECUTIVE SUMMARY

I'm Dipu. A student from Dhaka College, currently studying in inter 3rd year. I'm a self-taught programmer, a part-time developer, and a stupid. Now I'm learning python, experienced in JavaScript, CSS, HTML, and a bit of jQuery.

SKILLS AND EXPERTISE

As I said before, In terms of professional skills, I can do front-end development, proficient in photo editing, designing, and a little bit of reverse engineering. I want to work with AI soon. So, currently, I'm learning Python.
